Overall condition of painting: Excellent Good Fair Poor

SUMMARY: Overall this painting is in excellent condition. The surface exhibits small scattered areas of minor craquelure, and there is a small spot to the right in the middle of the canvas close to the edge, but the surface is otherwise bright and clear. Under UV there are small spots of inpainting along the edges, in the upper right in the sky and a few on the moose. The frame has three holes in the lower left edge and shows minor signs of wear and tear; however it is stable and otherwise in great condition.
